

Smart version control

Git for SVN users

*“I'm an egotistical
bastard, and I name
all my projects after
myself. First Linux,
now git[1].”*

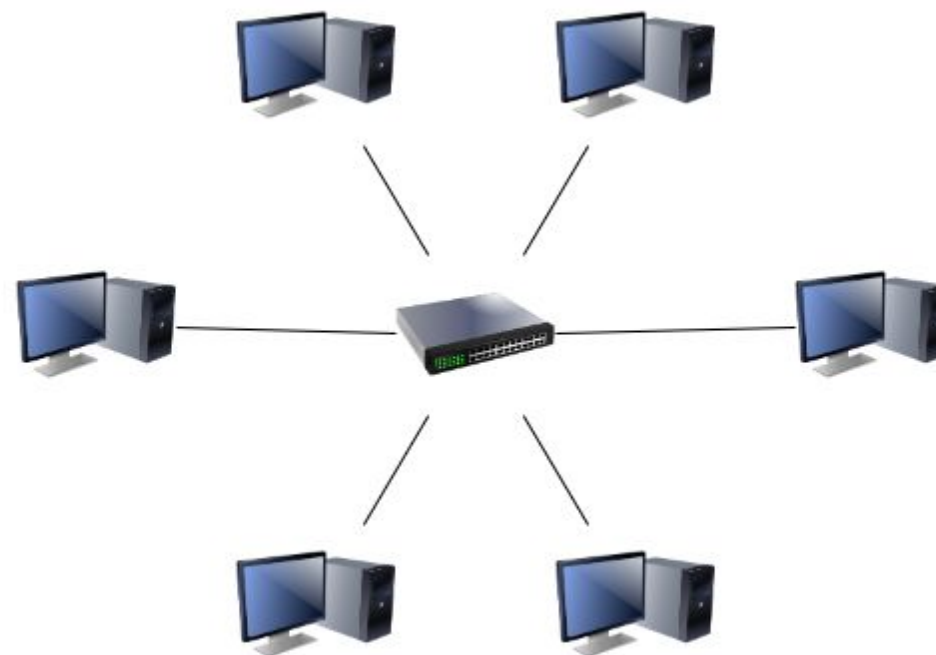

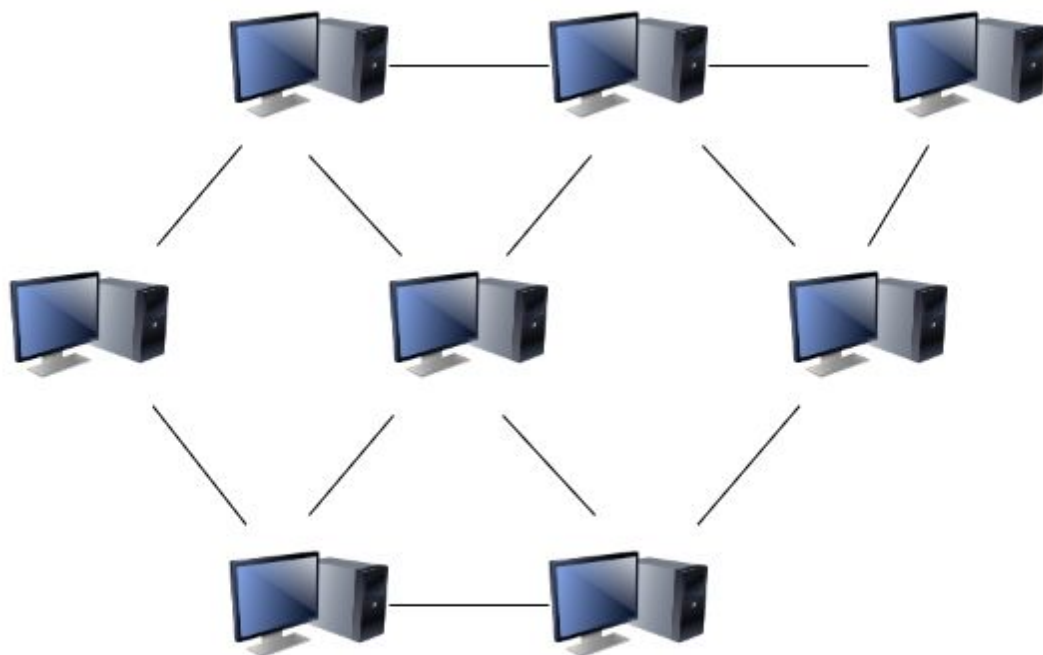

Linus Torvalds

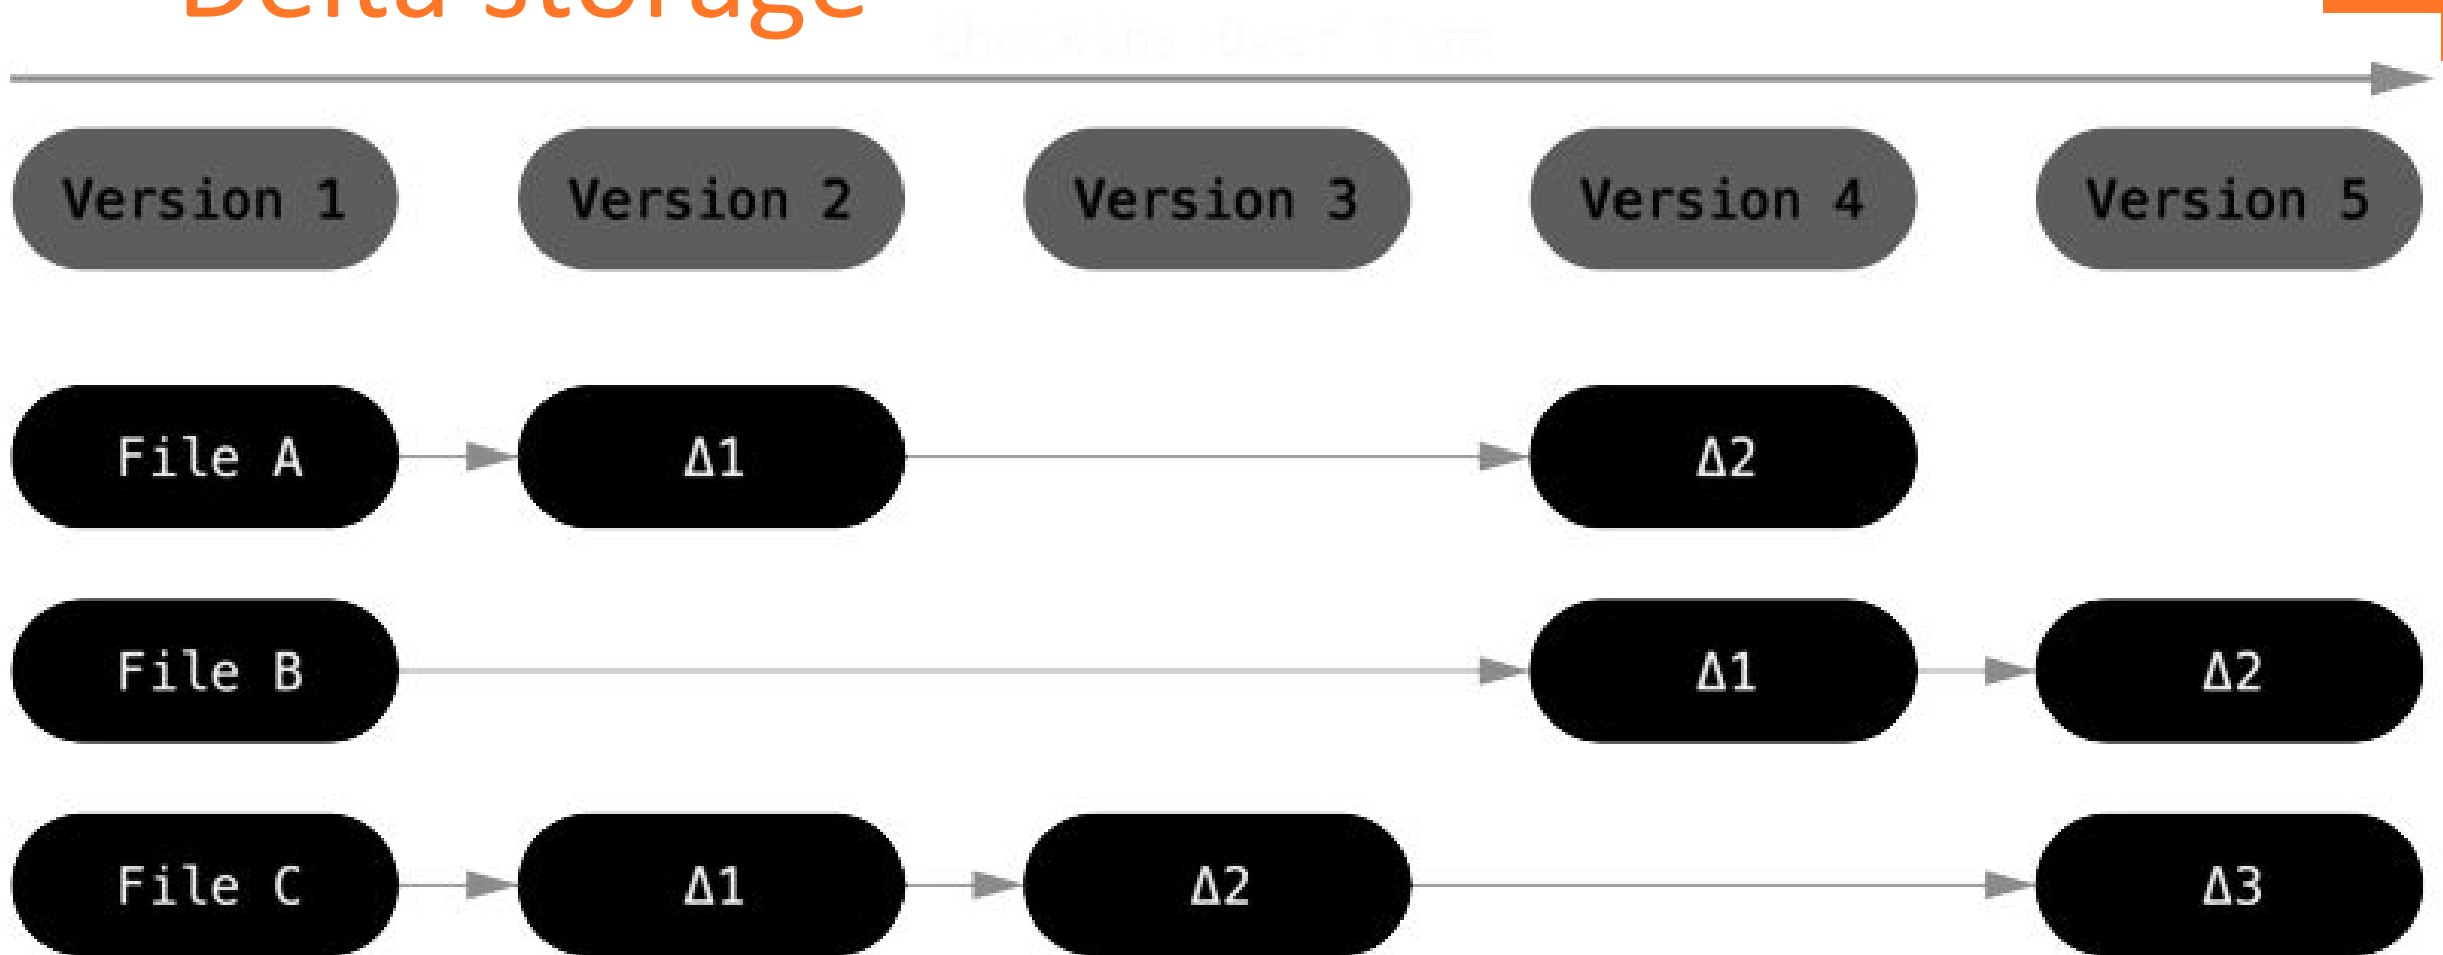

“I have an ego the size of a small planet” - Linus
[1] git (n): British slang for a stupid or unpleasant person

Wednesday, May 6, 2009

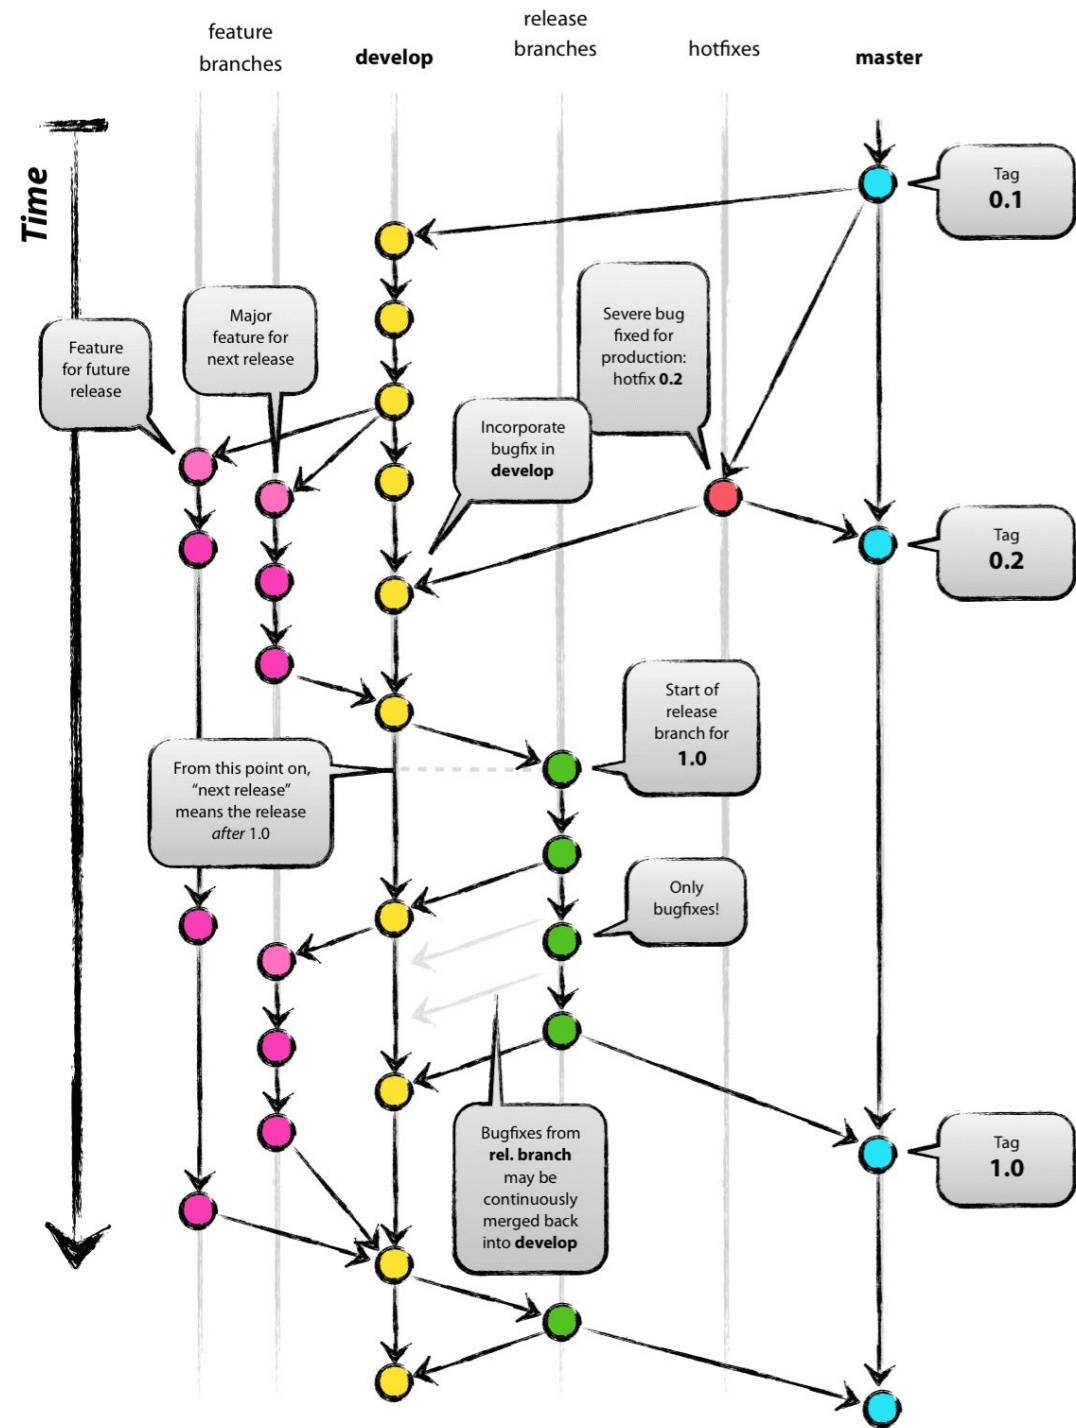

Differences

Delta storage

git flow
